

THC Infused Sugar

Price: \$6.00

SKU: Sugarthc

Product Categories: [Edibles](#), [Other](#)

Product Page: <https://naturegreen.ca/product/thc-infused-sugar-2/>

Product Summary

Designed for discretion, Enhanced Coffee Sugar is the perfect way to medicate in the morning, either on the go or at home. Simply add to your favourite hot beverage and stir to dissolve. Each package contains 50mg of winterized BHO. Onset is typically much faster than with edibles.

Product Description

Unrefined cane sugar, cannabis oil. Processed in a facility that also processes nuts.
